In this Complaint the plaintiff will outline how section 702 and its misuse has impacted the plaintiff.

5

In the Spring of 1998 the plaintiff found his County, Newaygo County Michigan embroiled in a man hunt of one, Charles Prins. The local news ~~anchor~~^{anchor} at WZZM TV-17 Juliet Dragos was giving erroneous reports that did not make sense. After first contacting the Mother of Charles Prins, Dorothy Prins I could see that something was wrong states the Plaintiff.

6.

As part of his business Plaintiff came upon the scene of the murder just as it was happening.

7.

In subsequent months evidence of the murder scene was altered

- 7.
8. or removed. Reports to the news media were grossly misleading.
9. Those involved in the kidnapping and murder of Charles Prins.

15.

desperately needed a bump in viewership to help increase what they can charge for air time, says the Plaintiff.

16

In January of 2021 News Andorra Juliet Dragos found that she was under investigation by the plaintiff for conspiring to commit murder. Over the year newspaper articles from The Detroit Free Press and Chicago Tribune began to be altered and then taken down all together, says Plaintiff.

17.

In February of 2022 money from peoples Master Card accounts began pouring into Plaintiff Credit Union Account says Plaintiff.

18.

over the course of two years it was established that this was a money laundering scheme to entrap the Plaintiff.

5.
19. It was discovered by a lawsuit from Replot Systems against Francis Arcello, Plaintiff that Campspot, Card Connect i.e. First Data were behind the money laundering.
20. Varnum Law, a Grand Rapids law firm was also knowingly involved Varnum Law's business model is, in reality, to use the Court System to drive business, profits. Says Plaintiff.
21. Some of Varnum Law's business models include
22. Aviation Accidents, some include Suicide By Air Ambulance. How it works. You're a patient with a terminal medical condition Varnum Law will arrange your last flight and those of the mothers and fathers who were also ~~to~~ on that flight.

23

Varnum can find you a local or Federal Judge to look the other way. Says Plaintiff.

24

Varnum Law are experts at money laundering. Says Plaintiff.

25

The only reason the medical accidents tapered off was because the Plaintiff called the FAA. The FAA Refuses to talk to the plaintiff.

26

Its really endless, 20 times the FBI entered my home and stole criminal evidence. Listening and video bugs powered by smart meters.

27

Judge Paul Moloney^{is just now} working to fix election districts in Michigan. Says Plaintiff.

7.

28

Not only was Judge Maloney behind election fixing but that effort was weaponized to black mail our elected officials.

29

Simply put spying on the American people by a doorbell or a traffic camera is ~~etc~~ illegal. It tramples all over our natural and Constitutional Rights

30

yes, Section 702 is an act of war against the American People.

31

In this Complaint I listed several areas where the FBI can't be trusted, where the Court System is compromised

32

~~where~~ ^{The} business of today is stealing from the American People. Says Plaintiff
